Course Outcomes: Defined by the online platform for the specific course chosen.

The department shall offer the Open Elective courses through SWAYAM / NPTEL / any other platform (12 weeks) in emerging trends such as Blockchains, Electronic-Discovery, Cyber-Security, Robotics, Artificial Intelligence, Bio-Ethics etc. around the time of commencement of the semester. However, the selected course should not be similar to the regular courses offered as a part of the department curriculum. The overall monitoring of the course will be under the supervision of the faculty in charge of the department.

The marks obtained by the student in the certification course will be tabulated by the concerned department.

Note: - In case the student does not pass the certification, exam or remains absent in the proctored examination, no certificate will be given to the candidate by the NPTEL/SWAYAM/Any other platform and the student will be deemed to have failed in the course. The student must appear again in the NPTEL/SWAYAM/Any other platform examination conducted for the same course or any other course as per the next semester schedule of NPTEL/SWAYAM/Any other platform and pass the examination.
